

# JUDGE ANDERSON JAILS KANSAS MINER LEADER

## MOB OF RUSSIAN REDS ATTACK ELLIS ISLAND FERRY EARLY MONDAY

Police Reserves and Coast Guards Disperse Reds And Arrest The Leader.

WILL SOON DEPORT MORE

Woman Leading Mob Declared Husband Deported On Red "Ark."

(By Associated Press.)

New York, December 22.—Led by a woman, who declared her husband had been deported to Russia yesterday on the "Soviet Ark" Buford, a mob of 150 "reds" today attacked the entrance to the Ellis Island ferry in an effort to reach fellow radicals still awaiting deportation.

A riot call was turned in before the police could restore order. The mob turned on the first policeman to answer the call and beat him, but when more reserves with drawn clubs, and a detail of coast guards, with fixed bayonets, arrived, the crowd quieted.

Members of it explained they had come to inquire about relatives who had sailed on the Buford. A young Russian woman, who gave the name of Clara Brooks, was arrested as the ringleader.

The "Soviet Ark" Buford, which sailed for an unnamed Russian port yesterday with 249 radicals on board, will be followed, before she has an opportunity to land, by a second arkload of reds, according to the best information obtainable today.

It was stated that the second batch of deportees probably would be embarked some time this week, as the government's second step against aliens who have sought to bring about the overthrow of constitutional government.

The Department of Justice has sixty radicals listed. How many of these will follow their red leaders on enforced voyages to their home lands has not been made known.

### 22 ON ISLAND

Twenty-two anarchists remained at Ellis Island today awaiting deportation. They will be sent to Russia with others from Detroit and Chicago whom the Department of Labor was unable to have transported to New York in time to sail on the Buford.

Sailing orders now in the hands of the master of the Buford delivered to him to be opened 24 hours from this port will permit him to use his discretion as to which one of several Russian or Finnish ports his contingent of deported "reds" may be landed, it was reported here today.

### REPORT SAYS 700 ARE FROZEN

(By Associated Press.)  
London, December 22.—Seven hundred soldiers of the army commanded by Admiral Kolchak, head of the All-Russian government in Siberia, have been found frozen to death in a hospital near Omsk, according to a Moscow wireless dispatch today.

IT LOOKS LIKE A MOVIE STILL, BUT IT'S  
CAPTURE OF BILL CARLYSLE, THE BANDIT

William Carlisle, in prison garb, and deputies loading wounded bandit onto horse after taking him.

The capture of William Carlisle, gentleman train robber, after his escape from the penitentiary in Wyoming, rivalled any of the great movie thrillers. After his escape in a shirt box from the penitentiary he held up a train, then escaped to the mountains. Deputies trailed him to a cabin high in the mountains. He was captured after being wounded, shot through the lung. Near death from his wound, he was loaded onto a horse and helped down the mountain to Esterbrook, a mile away. Then followed a twenty-five mile ride in an auto through rough country to Douglas. The temperature was below zero.

Supreme Council Working For Speedy Signing

LAST HUN NOTE DISCUSSED

Final Decision On Reply Late Monday Evening.

(By Associated Press.)

Paris, December 22.—The Supreme Council, it became known today, is making every effort to reach an agreement with Germany on the question of reparation for the sinking of the German fleet at Scapa Flow, so that the protocol may be signed and ratifications of the treaty of Versailles exchanged before Christmas.

The terms of the note replying to the last communication of the German representatives were considered by the council this morning. No decision being reached, it was planned to hold another session this evening at the war office.

Alexander Howat is Placed In Jail to Prevent Further Contempt of Court.

KANSAS MINERS ON STRIKE

Formal Hearing of Contempt Proceedings in United States Court Monday.

Accused of Disobeying Orders Of U. S. Court.

(By Associated Press.)

Indianapolis, December 22.—Alexander Howat, president of the Kansas District of the United Mine Workers was remanded to jail by United States Judge Anderson when court reconvened this afternoon.

Howat, who is charged with contempt of court, was granted a continuance this morning until next Monday.

### COURT IS FIRM

(By Associated Press.)

Indianapolis, December 22.—Declaring that violations of the Federal court's injunction under the Lever act against furthering the coal strike in Kansas must stop if persons guilty have to be put in jail and kept there, United States Judge Anderson today permitted Alexander Howat, president of the Kansas District of the United Mine Workers until next Monday to prepare his defense of charges of contempt of court.

Henry Warum, chief counsel for the international miners' organization, and Howat were given until two o'clock this afternoon to present some evidence that violation of the injunction charged against the miners' district official will not be continued during the interim from now until the hearing next Monday. Otherwise Judge Anderson said he would be forced to send Howat to jail.

### KANSAS MINERS OUT ON STRIKE

(By Associated Press.)  
Pittsburg, Kansas, December 22.—Declaring they would not return to work until they knew what Judge Anderson intended to do with Alexander Howat, 250 miners employed at Crowe Mine No. 216 went on strike today.

Wilmington, Ohio, December 22.—Mrs. Fred Irvin, 32, was instantly killed when the automobile which she was driving was struck by B. & O. passenger train No. 31 at a grade crossing here at 8:15 o'clock this morning. A heavy fog is blamed for the accident.

Mrs. Irvin was returning alone to her home in Wilmington after having taken her little daughter to school.

## D'ANNUNZIO REFUSES TO QUIT FIUME

Forces Vote Overwhelmingly To Leave City

LEADER IGNORES RESULT

Rebel Poet Declares The Vote Was Irregular

(By Associated Press.)

Triest, December 21.—Notwithstanding the efforts to delay or cancel the proposed plebiscite in Fiume on the question of accepting the proposals of General Badoglio, the Italian chief of staff providing for the substitution of Italian regulars for the d'Annunzio forces, the vote after all was taken and is reported to have gone strongly in favor of accepting the proposals.

D'Annunzio, however, declined to accept the results and declared he would reserve the decision for himself. According to officials who had charge of the voting the vote was 85 percent in favor of occupation by regulars.

In a formal communique issued last night d'Annunzio announced his stand against acceptance of the plebiscite, declaring irregularities had been found which he declared would invalidate the vote.

### HANGS HIMSELF

(Special to The Herald.)

Wilmington, O., December 22.—Warren Simpson, 65, ended his life by attaching a rope to his neck and a rafter and then stepping from a step-ladder. Sickness and death of members of his family are said to have been responsible.

Efforts Made Have Operators Accede to Proposal of The Government.

MEET TUESDAY IN OHIO

(By Associated Press.)

Washington, December 22.—Refusal of the coal operators to accept the government's strike settlement terms, it was pointed out today, might embarrass the operation of the commission appointed by President Wilson and authorized to investigate miners' wages and working conditions and increase coal prices, if necessary.

Further efforts will be made today to induce the operators to accede to the government's proposal, despite the renewed insistence of the operators' executive committee that neither had they accepted, nor had they indicated they would accept, the terms.

The operators declared the proposal they had agreed to was one advanced by former Fuel Administrator Garfield. The question of whether the operators would stand aloof from the commission's investigation or co-operate with it has not been decided.

It probably will be settled at the meeting tomorrow in Cleveland, where a general session of the scale committee of the central competitive field and other operators has been called.

### WILL DELIVER THE HERALD'S XMAS MORNING

Owing to the fact that the rural carriers will deliver mail on the routes Christmas morning The Herald will run out the regular evening or city edition on Wednesday evening for rural subscribers which will be delivered Christmas morning.

There will be no morning paper on Friday morning. Dispensing with the morning edition on Friday will give The Herald force a complete Christmas without any "break over" in the early morning hours of either Thursday or Friday morning and will give the night telegraph editor his Christmas eve uninterrupted by the night wire service.

This course has been determined upon because of the confident belief that the members of the Herald family will be glad of the opportunity to excuse the men who have served so faithfully all the year through, at a very exacting task, a few hours relaxation at holiday time.

The morning delivery of The Herald will be made on the rural routes Christmas morning, but it will be the Wednesday evening paper and there will be no publication on Friday morning.

### THE B. & O. HAS ENDLESS TROUBLE

Much trouble was experienced by the B. & O. railroad Sunday when the pumping station and the switch engine were forced out of commission and there was no heat in the Union station.

At the pumping station the penstock refused to work. The fires were drawn from the boiler in the station because of the condition of the heaters.

Leaking flues put the yard engine out of running and workmen were dispatched from Chillicothe to this city to put it in shape.

### HANDSOME CALENDAR ATTRACTS ATTENTION

George A. Robinson and Company, dealers in coal, cement, sewer tile, fire brick and fire clay, has put out an unusual and beautiful 1920 calendar which is attracting much attention. The scene depicted is significant. A homeless and desolate family, standing upon the slope of a rocky Belgium coast and looking across the ocean to see vaguely outlined in the distance the stars and stripes forming a background for the Goddess of Liberty, symbol of future hope.

The picture is beautifully colored and the sky effect recalls the dawn of the morning following the signing of the armistice when the Eastern heavens were painted in stripes of red and blue across the white clouds and many marvelled at the sign in the skies.

## Essex Sets New World's Long Distance Endurance Record

An Essex stock chassis under American Automobile Association observation set a new world's mark for long distance endurance on the Cincinnati Speedway, December 12th.

It was the first time a car had even been driven under official observation at top speed for fifty hours.

Put on the speedway to prove its reliability in a fifty hour test, the Essex at the end of 27 hours 58 minutes and in the 1790 th mile because of rain and sleet was forced to stop. A second start was made three days later but snow again ended the trial. This time the run lasted 16 hours 25 minutes and covered 1042 miles. The third run starting the following day was successful, the fifty hour period being completed.

Thus the proof of Essex endurance is even greater than that expressed in the 50 hour run. The average car is driven little more than 5,000 miles in the entire season. But this stock Essex chassis went more than a mile a minute for 5,870 miles.

Almost as astounding as its endurance was its tire experience. The front wheel tires went through all three trials without change. Two rear tires were replaced because of damage done by splinters from the board surfaced track. The tires were Goodyear cords.

The car was driven by Dave, Lewis and Tommy Milton, the noted racing drivers, and DeLloyd Thompson, one of the most famous "stunt" aviators in the country. The drivers worked in six hour shifts, making two stops during this period to fill with oil and gasoline.

The American Automobile Association representatives at the trials were Fred J. Wagner, the widely known official starter of practically all American Speedway events, assisted by F. E. Edwards, technical representative of the American Automobile Association contest board, J. E. Schipper, of Detroit, assistant technical representative, and R. A. Leavell, in charge of the electrical timing apparatus.

## TRYING FOR GAME WITH MUSKINGUM

Before going to his home in New Concord for the holiday vacation, Charles Moorehead, athletic coach in Washington High School stated that he would attempt to make an arrangement whereby the Washington High basketball team might play the Muskingum College five. He stated that it was possible to bring Muskingum here and if the heavy traveling expenses might be arranged it was also possible to play the college on their own floor.

While not a large college, Muskingum turns out some of the best basketball teams and a game here with Muskingum would be the attraction of the season.

Moorehead attended Muskingum, hence the reason for wanting to hand them a defeat at the hands of a team of his own coaching.

### JOHN NEWCOMB McFADDEN JR.

On the 28th day of May, 1914, little John Newcomb, Junior, came to delight the home of J. N. McFadden and his wife, Blanche, already their lives had been blessed with the coming of William Eldridge and for five and a half years the two boys and the two parents have lived in the sweetest experiences known to earthly relations, those of the home. Each boy had his distinct personal characteristics and each was loved the more because of his developing individuality.

Little John Jr., in whose memory we gather today, was somewhat reserved in the presence of strangers. His revelations of himself were mostly for those nearest and dearest to him. For these he showed great affection.

His uncle Robert who has spent much of the past four years in the home, shared his love as did the rest of the family. He was always saving something for Bob and in return he must save his football suit for him. When Bob came home with a "W" on his breast, John Jr., searched the papers to cut out the "W's" for himself. Some day he would catch up with Bob and play football too.

He was very appreciative of kindness and while in the hospital said, "Everybody is good to me."

Early in life the parents presented him for christian baptism. He was proud of his Cradle Roll Certificate and enjoyed the bible stories of his little Sunday School papers.

When moving into the new home John delighted himself in carrying over the little things committed to his care all looked forward to many happy years together. But he who is building the greater new home not made with hands and who now and then calls one of our dear ones to grace that home, chose little John Jr. and early Monday morning, December 15th he went away to be with Jesus. "The Lord gave and the Lord hath taken away, blessed be the name of the Lord."

Besides his parents and brother there are two grand mothers and many other relatives and friends to whom he was very precious.

Some day our weary feet will rest in sweet content, And we will know how we were blest By what was sent.

And looking back with clearer eyes O'er life's short span, Will see with wondering, glad surprise God's perfect plan.

### CARD OF THANKS.

We desire to express our gratitude to all those friends who in any way contributed to our comfort during the recent illness and death of our child, John, Jr.

## SOVIET "ARK" PUTS TO SEA.

Bound For Unknown Port On Their Return to Soviet Russia—Voyage Will Take Eighteen Days.

Berkman Curses Defiantly And Emma Is Tranquil As Ship Departs.

(By Associated Press)

New York, December 21.—The United States Army transport *Buford*—Ark of Soviet—sailed before dawn today with a cargo of anarchists, communities and radicals banned from America for conspiring against it Government.

The ship's destination was hidden in sealed orders, but the 240 passengers it carried expect to be landed at some far northern port giving access to soviet Russia.

"Long live the revolution in America" was chanted defiantly by the motley crowd on the decks of the steel gray troopship. Now and then there were curses in chorus at the United States and the men who had cut short their propaganda here.

The autocrats of all the Russians on the transports were Alexander Berkman and Emma Goldman, his boon companion for 30 years. With them were 245 men and women, Ethel Bernstein and Dora Lipkin.

None knew where they would disembark, and even Captain G. A. Hitchcock, commander of the transport was no better off. At daybreak tomorrow, Colonel Holton, commanding the

troops on board as guards, will handle the shipper his instructions. Only a few high officials of the war and labor departments know the ships destination. The voyage will last eighteen days unless it is prolonged by unfavorable weather.

While all the anarchists had professed joy at the thought of returning to Russia, a few of them wept and most of them seemed down cast. Berkman was defiant to the last. "We'll come back and we'll get you," he muttered, embellishing his statement with curses. Emma Goldman was so unconcerned that she slept until after midnight although the rest of the party remained up all night.

### SOCIAL : PERSONAL MENTION : CLUBS

A quiet home wedding which will be of interest to a prominent family connection and many friends took place Saturday afternoon at half past two o'clock, when Miss Ruth Mark, youngest daughter of Mrs. Henry Mark was united in marriage to Mr. John McElroy Duncan, of near Greenfield.

Rev. W. B. Rose, of Staunton, performed the double ring ceremony witnessed only by the immediate families.

The arrangements were of the utmost simplicity, chrysanthemums and greenery adding a pretty bridal note to the Mark home.

The bride, a bright and interesting young woman of many accomplishments—a graduate of the Ohio Wesleyan University, was wearing a handsome tailored suit of navy blue tulle, with velvet toque, trimmed in ostrich, of the same shade, Gray squirrel furs and a corsage bouquet of pink rose buds completed a most becoming costume.

Mr. and Mrs. Duncan left on the 3.26 P. and O. train and upon their return will go to housekeeping in Greenfield, their home now furnished in complete readiness.

The bride-groom, a progressive young farmer, will continue in farming with his father.

The return of Mr. and Mrs. Duncan will be the signal for cordial extending of best wishes.

Mr. and Mrs. D. O. Duncan and daughter, Miss Esther were the only out of town guests.

Thirty-five couples merrily tripped the light fantastic at the fortnightly dance of the Dahl-Campbell office force and their friends Saturday night.

The Tuesday Kensington Club enjoyed their annual Christmas luncheon Saturday at the home of Mrs. M.

E. Hitchcock. It was a very pretty affair of fourteen covers, the decorations and favors all of the Yuletide.

A merry hour followed with the usual exchange of gifts from a Christmas grab bag.

The last meeting of the G. R. C. of Sugar Grove was held at the home of the teacher, Mrs. Tasso Post on the Creek road with a dozen members in attendance.

Miss Minnie Breakfield conducted the devotionals, and Mrs. Harold Breakfield, the lesson. Mrs. Post remembered each of the members with a small gift, and they presented her with a lovely present from the class.

Delicious refreshments were served.

The Domestic Science Class of Wayne High School pleasantly entertained the members of the Board of Education and their wives with a six o'clock dinner, Friday evening.

The dinner was served in the long basement hall where the red and green of the Christmas season vied with bright berried holly in transforming it into a lovely dining room. The table, laid with fifteen covers, was lighted by many candles, large and small. The center piece was a small Christmas tree at the base of which were heaped small packages tied with red and green ribbons. The ends of the ribbons were concealed beneath the nut baskets. At a signal from the hostess each pulled his ribbon and received his gift. Much merriment followed the unwrapping of the packages.

Miss Grace Post, the High School Principal, as assistant hostess was seated at the head of the table. With her were seated, Mr. A. N. Peters, Mr. and Mrs. A. B. Clifton, Mr. and Mrs. Orris Hegler, Mr. and Mrs. I. O. Fountain, Mr. and Mrs. Robert Free, Mr. and Mrs. Samuel Hoppess, Miss Ethel Arnold and Supt. and Mrs. P. G. Meranda.

### DECISION GIVEN IN SCHOOL CASE

Judge Carpenter, Monday morning handed down the decision in the school case of Isaac F. Barker and others against the Green Township Board of Education, in which the plaintiffs sought to enjoin the school board to prevent the construction of two centralized school buildings in that township, holding that the contracts for the two buildings were void due to the fact that no certificate of amount of funds on hand was filed. Both sides gave notice of intention to appeal.

The court held that no irregularity had been found in the action of the board in the preliminary steps taken toward bringing about the construction of the buildings, and that there had been no abuse of discretion.

Logan for the plaintiffs and Prosecutor Harry M. Rankin for defendants.

## CHRISTMAS IS CELEBRATED IN CITY CHURCHES

The most joyous season of the year, Christmas, was triumphantly celebrated in the city churches Sunday with the regular congregations greatly augmented in the large number who entered into the spirit of Christmas worship.

The morning services were all featured by fine Christmas sermons and special music.

Several of the churches presented Christmas song services in the evening and the First Baptist Church introduced a happy new idea in the White Christmas afternoon service.

### Grace Song Service.

The Evening Song Service at Grace M. E. Church was the culmination of a marked day, the morning service contributed to the Christmas music a joyous anthem with beautiful solo by Mr. C. S. Haver and a quartet "Oh Little Town of Bethlehem," sung by Miss Edith Gardner, Miss Helen Teeters, Messrs. Haver and Maynard Craig.

A beautifully rendered introductory number to the evening Cantata was the "Andante" — Mendelssohn — Mr. James Kneisley, violin and Miss Helen Teeters, piano.

Rev. Alexander made a ten minute talk on "The Mystery Christmas," emphasizing that it is the mystery of the day that appeals to children and without this mystery Christmas zest is lost.

The Cantata, "The Hope of the World" — Schaeffer — a very musical and appealing composition, was splendidly sung by a choir of thirty voices under the masterly direction and training of Miss Gardner.

The volume and balance of parts was exceptionally good and the attack and a spirit admirable in the ensemble work, which was the feature of the Cantata. The opening chorus, "Ring Out Ye Bells" was buoyant and through the four parts, "Introduction," "The Shepherd's," "The Wise Men" and the closing chorus the same spirit permeated.

The men's choruses, with the continued tenor and bass in great volume and dignity were noteworthy and Miss Louise Melvin sang with much sweetness the only soprano solo, "The Star in the East."

Miss Light, at the organ contributed her usual full share in the sustaining accompaniments and organ solos.

### Presbyterian Song Service

The song service at the First Presbyterian Church Sunday night was one of the most unusual and beautiful in the long series of similar Christmas services and reflected most creditably upon the splendid leadership of the Director, Miss Woodward, the excellent support of the organist, Mrs. Lillie G. Davis and the singers which composed a large choir.

The chancel was garlanded in cedar and bitter sweet giving the effect of a garden with white gate leading into the choir space and baskets of greenery and poinsettias guarding the side, the arrangement creating an effective foreground, above which the white robed singers sang joyously.

The choruses were wonderfully brilliant, pulsing with joyous Christmas spirit, brought out with splendid volume and sympathy. The opening chorus, "Lo 'tis the Hour" — Chipman, was especially ambitious and beautiful. Miss Woodward taking the difficult soprano solos superbly and Mr. R. R. Kibler in unusually good voice in the tenor solos.

Throughout the entire tuneful program the choir was at its best and an effective new feature was introduced in an "Echo Choir" of children's voices, which sang the Christmas hymns from an overhead loft in the rear.

An exceptionally buoyant and beautiful duet, "Brightest and Best" — Lordman — was sung by Mrs. Amy Hudson and Mrs. Wm. Vail, of Niles the latter also contributing a much enjoyed solo, "The New Born King" to the morning service. Mrs. Mary G. Burgett sang a lovely contralto solo "Nativity" — Shelley.

Following the last chorus of the choir, which reached its climax in a burst of triumphant melody, the lights were lowered and the audience sat hushed in sympathetic silence while the Christmas hymn, "Silent Night," was sung in the sweet childish voices overhead.

Rev. Gage inter-spersed the music with a happy little Christmas greeting. Mrs. Davis, in several artistically rendered organ solos, added much to the program's charm.

The children's choir showed excellent training under Mrs. Minnie McMunn, Mrs. Wm. B. Gage and Mrs. Regina U. Staubs, and Miss Clara Zimmerman, Messrs. Elmer and Raymond Zimmerman again showed their expert skill in decorating.

### First Baptist Church

The Baptist Sunday School presented their Christmas program Sunday afternoon at four o'clock, instead of

Christmas eve as in previous years. It was a "White Christmas" a pledge and service program under the splendid direction of the Young Women's Guild.

White cloth had been used effectively in covering the entire front of the church and a stately evergreen tree with snow (cotton) on the branches, graced one side of the platform. A lone silver star shown from the uppermost top of its branches and white pedestals with silver platters for the offerings, were placed directly in front of the stage. The entire effect was beautiful.

A charming Christmas program of music, readings and exercises was presented and enjoyed by an audience which taxed the capacity of the church.

Rev. Ferguson made a beautiful little talk.

Miss Mabel Briggs and Miss Ethel Powell were the pianists, and the choir sang the hymns as the different classes gave their gifts of money and eatables. The primary tots were very cunning as they dropped their gifts, toys, in a tiny white cradle.

In answer to the urgent call for Missionaries, Miss Elva Belles announced herself as ready for this consecrated service.

### Church of Christ.

With a choir of twenty voices, under the able leadership of Mr. Clifford Irvin, The church of Christ presented a delightful Christmas song service Sunday evening.

A number of glad songs and hymns were very well rendered and Miss Mary Minshall sang very prettily the solos. Mrs. W. E. Robinson did excellent work as the pianist.

"The Meaning of Christmas" was the theme of a forceful short address by the pastor, Rev. G. E. Groves.

There was a crowded house and Christmas greens effectively used in decoration.

### McNair Memorial

Rev. D. H. Rejy joined with the other ministers of the city in delivering a Christmas sermon, but the McNair Memorial Presbyterian church deferred its Christmas song service till next Sunday night.

Christmas treat was given to the Sunday School pupils.

### Wesley Chapel

Wesley Chapel closed Sunday afternoon for the Christmas program which was under the supervision of the Women's and Young Girls' Classes. It was a very attractive program, the children of the primary department particularly cunning in their songs and recitations. Mrs. J. A. Edge and Miss Helen Lemons gave a pretty

Christmas readings and two highly appreciated musical selections were given by Ralph Karney and James E. Beller, on the mandolin and guitar. Rev. Alexander made an excellent talk to the little folks, who were delighted when Santa Claus appeared with candy and oranges.

## BOUT TO BE HELD THURSDAY NIGHT

Definite announcement is made that the Anderson-Matsuda wrestling bout will be held at the armory Christmas night at 8:00 o'clock, and that the armory will be properly heated for the occasion.

Ticket sales indicate local fans are anticipating an exceptionally good match, and fans who know both men declare it will be a bout really worth while, as Anderson is one of the best men of his weight in the middleweight. Lawrence Link and Jimmie Whitehead will furnish the preliminary bout.

## PASSENGER TRAIN DELAYED BY MAIL

Passenger train No. 36 on the B. & O., which reaches this city at 10:17 p. m., on its way from Cincinnati to Pittsburgh, came into the station 45 minutes late Sunday evening owing to the enormous amount of holiday mail and express that it carried.

The train carried four baggage and mail cars in addition to the regular passenger service.

## DISMISS CLASSES DURING HOLIDAYS

Because of the rush at the Y. M. C. A. during the holidays the night school classes will be discontinued until January 5th. This will afford a most opportune time for those who wish to enroll in the work. In all branches there will be a short review.

At this time the French class will begin and there is every assurance that it will be one of the largest enrolled.

## BIG TANK IS MASS OF ICE

The cold weather of the past ten days has caused the Pennsylvania

railroad water tank on Sycamore street to become a mass of ice. The iceicles reaching to the ground and over flow at the top of the tank has

dripped down the sides and formed a scene and taken snapshots of the unusual scene.

Several people have gone to the scene and taken snapshots of the unusual scene.

As a Christmas gift the boudoir cap is particularly charming. It's a dainty bit of frivolity every woman delights in, and it may be chosen here of lace and ribbon, all soft frills and lovely in colors.

## Of Crepe de Chine or Satin

Night-dresses and envelope chemises of these two fabrics in their most exquisite textures run the range in style from the utmost simplicity in decoration and design to those elaborate to just that degree good taste dictates.

## Concerning Silk Petticoats

Their fashion importance is a fact well established. And characteristically they are presented here in their most attractive form, absolutely correct in style-line, and with many most delightful little fashion details.

## The Gift of a Waist

## Is the Gift of a Thoughtful Person

Waists in suit shades made on rather dressy lines are holding the centre of the stage at present. Some of the most attractive styles are collarless, while other equally high in favor are collared in some fashion or other. Blouses like these are admirable Christmas presents. You can easily make selections from an assortment as broad as the one we offer. And you can be sure that the recipient will be pleased with a waist bought at this store!

## Why Not Give Hosiery?

Hosiery always makes a splendid gift. There is no woman but that can find use for every pair she receives; she cannot have too many pairs. She would surely be delighted to have some one present her with a pair or a box of six or a dozen pairs, chosen to include the newest and the most distinctive of the offerings of Fall.

## Luxurious Furs

## The Gift Supreme

Furs hold high favor in the choice of gift buyers, whose purpose is to give presents that are useful and ornamental. We have the best kind of furs in the most desired models. We bought them many months ago, and can consequently sell them at prevailing market prices. Every woman knows that our furs are trustworthy, and that will add to the appreciation that fur gifts bought here will receive.

## Women's Neckwear

All the smart and new in this charming accessory assembled in gift groups, conveniently arranged to facilitate selection.

## Leather Goods Make Ideal Gifts

Every sort of leather goods is contained in this fine holiday assortment. Traveling outfits are here in a variety that comprises every style. Traveling bags are here, too, as well as music rolls.

While these articles are all of the highest quality, their prices are unusually reasonable. They make particularly attractive and useful gift-things.

## Visit Our Special Gift Department

and in a few minutes you will get many hints that will lead to the selection of many beautiful presents in a short time. You will find this department a great aid in the rush of the next two days.

## Toys

Santa Claus was very good to us and sent quite a lot of toys by express, which will be on sale Tuesday morning. Reed Doll Cabs, Tricycles, Wagons, Automobiles, Sleds, Rockers, Kiddie Cars, Dolls, Doll Furniture and quite a lot of Mechanical and Electrical Toys are here for your selection besides many other things.

## Evening Frocks

A bit of lightsome lace, with pastel shadings, a whisp of jetted tulle or chiffon and a touch of the designer's wand, and lo! you have an evening gown, of the sort that you loved, and gaily worn, before War put its somber ban on things so wholly frivolous, yet completely fascinating, as an evening frock. And while there's no less of simplicity and dignity, there's more of brilliancy and glowing richness than there was in former days, as though there were added measure of happiness in the folds of these go wuns:

In a youthful dress of flounces and taffeta, with bits of silver lace streamers of ribbon and nosegays of wee French flowers. In a sophisticated frock of filmy tulle that falls straightly, slimly over a satin slip of engaging plainness. In a gorgeous creation of net and lace, a bewildering maze of frilly draperies, bouffant paniers, and swinging panels, its bodice discreetly high in front and low in back, with straps across the shoulders. A wealth of lovely and unusual gowns for evening, from which each one may choose the one that best becomes and pleases her.

## PLAIN STATEMENT ON SUGAR SUPPLY DISPUTES RUMOR

During the past week or two various rumors have been afloat regarding the sugar supply on hands in this city, some of the rumors being to the effect that the Dahl-Campbell Branch had many car loads of sugar stored, and others to the effect that some retailers were withholding liberal supplies at a time when most needed.

Mr. Campbell states that the rumors are without the least foundation; that The Dahl-Campbell Branch has made extraordinary efforts to obtain sugar to meet the great demand, and that local retailers have done likewise and that as speedily as obtained the supply has been placed upon the market to meet the heavy demand.

Mr. Campbell also states that a report made to the government, which has been keeping careful tab on the supply of sugar throughout the country, shows that the Dahl-Campbell Branch at this point since about the middle of October when cane sugar supply was cut off from this part of United States has obtained three carloads of beet sugar, and this was placed upon the market at once at a very small percentage of profit part of it being at a profit considerably under

## THEY WERE SHOT DOWN WHILE CELEBRATING PEACE THEY WON

Left to right: Dale Hubbard, Warren O. Grimm, Ben Casagrande and Arthur McElfresh.

The Red outrage perpetrated at Centralia, Wash., Armistice Day, when four members of the American Legion were shot down while marching in the service parade, has spurred all federal, state and city authorities on to greater efforts in rounding up the radicals

and anarchists. The assassins fired from the roofs of buildings near the I. W. W. headquarters. The Reds' meeting place was raided immediately and many suspects held. The pictures above show the young men who were shot. Dale Hubbard served eighteen months

overseas. Warren O. Grimm, who served as a lieutenant with the U. S. forces in Siberia, was commander of Grant Hodge Post in the legion. He was a noted college football star. One man was lynched as a result of the attack and the slayer of one of the other men has been caught.

the margin allowed by the government. That sugar was as speedily sold to the public by the retailer, so that much of the time there has been no sugar available, all stocks being exhausted.

In the past 70 days Manager Wm. M. Campbell states that he has spent fully ten days out scouting for sugar but has met with little success in obtaining a supply to meet the demands.

Local retailers assert that they have also made every effort to get sugar

from all sources, but with a minimum of success.

The chief trouble in obtaining sugar from the beet refineries it is stated is that the refiner is refusing to let go of his supply at the price fixed by the government, retaining it for higher prices. The wholesaler is limited on the selling price of sugar so that he could not purchase it at a price many cents per pound greater than the price fixed by the government, even though he sold it at the price paid the refiner.

Little real relief is expected by

dealers, they assert, until after the first of the year when some definite action may be taken by the government, and shipments of cane sugar to this community are renewed.

## "SAVED MY LIFE" SAYS MRS. GROCE

"I feel I owe my life to Dr. Parker's Treatment for Constipation and Indigestion," says Mrs. J. Groce, 66 years old. "I doctored with several doctors who claimed that the nerve system of my stomach had broken down and for several months I was unable to leave my room. I could eat no solid foods, lived on beef tea and water off burnt bread. The gas on my stomach would cause spells of belching, that would last an hour, and everything soured on my stomach. I was given up to die by my family and friends, when a friend recommended Dr. Parker's Treatment. One box gave me great relief and three boxes cured me. I can now eat solid foods and am now doing my own work. I certainly think Dr. Parker's Treatment a wonderful medicine."

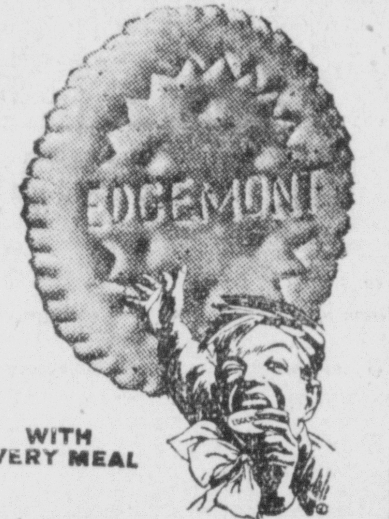

Try Dr. Parker's Treatment for Constipation and Indigestion at our own risk. Your dollar and a quarter refunded if it fails to relieve your suffering. For sale by all druggists.—Adv.

## The HOOVER ELECTRIC SUCTION SWEEPER IT BEATS... AS IT SWEEPS AS IT CLEANS

## Essentially Practical for a Christmas Gift

For every woman is delighted with the remarkable features of the Hoover Suction Cleaner—the features that lessen the time and energy spent in cleaning each day.

The combination of just the proper air velocity and the countless brushing contacts account for the fact that

### It Beats—

The Hoover beats out buried dirt, indoors, dustlessly. Deeply lodged grit is loosened and shaken forth. Beaten to the surface, powerful suction removes it.

### As It Cleans—

The Hoover beats as it sweeps, as it suction cleans. Hence the Hoover thoroughly removes dirt and the crushed-down nap is righted.

## The Knox Resoluion

The Senate Foreign Relations Committee on Saturday attempted to bring about peace with Germany regard-day adopted, by strict party vote, the Knox resolution as less of the Senate's failure to ratify the peace treaty.

While the resolution is necessarily quite long yet, reduced to its essential provisions, it is a plain attempt to negotiate a separate peace with Germany the Senate first, and then, perhaps, the House concurring, resolving that the war with Germany is at an end and resolving that this nation shall retain all the benefits accorded in the treaty of Versailles to which it is not and, thus far, refuses to be, a party and that on Germany's failure to comply, the President shall declare a trade boycott on Germany.

Just how this nation is to conclude peace with Germany without a treaty is not yet made clear. Neither the Senate nor the House nor both together can negotiate a treaty. Perhaps, however, able man that he is, Senator Knox has discovered some new way around the constitutional limitations in that regard.

It would seem too, that Germany being only one, and an unwilling one, of the nations signing the Versailles treaty, that the rights of other nations would intervene and that those nations should have something to say about what the ultimate arrangement between Germany and the United States will be.

Then again the method suggested for enforcing our demands is not encouraging, granting that the Senate has the power to make those demands. Trade boycotts on Germany, even a rigid blockade, have not, in the past, proven very effective means of bringing Germany to her knees.

The action appears, in advance of any enlightening discussion by those men who are fathering the action suggested in the Knox resolution, to be but a bit of politics.

We are loath to believe that so able a man as Senator Knox is acknowledged to be, would deal, with so serious a matter, so frivolously, so patently for political advantage, as the resolution adopted Saturday now indicates he has done.

## Good Riddance

The people of the United States have never had a better "Christmas gift" than that presented by the government in shipping out of the country, to Soviet Russia, the scores of red radicals who have been causing so much irritation during the past year.

The "Soviet Ark" will carry away from American shores, let us hope forever, the Goldman woman, the Berkman fellow and quite a collection of dangerous creatures gathered up in the drag-net of the government in various parts of the country.

The relief given to the workmen of America, who have been pursued, annoyed and bewildered by those anarchists as well as the sense of security all law abiding and patriotic folks, even those who have not come into close touch with them or with their work will be a Christmas present well worth while.

To Goldman, Berkman and the others of their ilk who sail away to the land about whose benefits and opportunities they have been preaching, the departure should be a happy occasion. Strange to say, though, it is not. They have fought bitterly and determinedly to stay in the land which they have loudly proclaimed as unfit, they have appealed to every department of a government which they sought to destroy, to save them from being sent back among the only friends they acknowledge and to the protection of the only government on earth—Soviet Russia—which they acknowledge as worth while.

## Packers Promise To Be Good

The great "big five combination" of Chicago packers is to be dissolved by a consent court decree.

The combination about which we have been hearing and reading so much has reached an agreement with federal officials by which it agrees within a specified time to withdraw from all side line food activities, surrender control of car lines and railroad freight yard domination and hold its activities within the scope of the powers conferred by charter, on the several member companies.

The packers make some broad promises for future good behavior which does not harmonize with their widely circulated and emphatic denials of wrong doing.

Our last experience with these trust dissolution programs has not been such as to inspire great confidence in the complete fulfillment of the present pact, but even the promise is a move in the right direction. It is at least a plea of guilty to a certain measure and to that extent should silence one of the debaters who have consumed so much attention during the last year.

## POETRY FOR TODAY

### MEMORIES

You loved the days of springtime,  
And the golden daffodils—  
You loved me in the springtime,  
When we climbed the windswept hills  
But spring days are forgotten when  
The summer sunshine glows,  
And daffodils are withered when we  
Find the crimson rose.

The summer days are over,  
And the crimson roses die,  
And the dying leaves are falling  
Where the autumn breezes sigh,  
But though the flowers are fading, and  
The birds all cease to sing,  
Oh, these early autumn mornings  
Hold a whisper of the spring.

For these early days of autumn,  
With their gleaming skies of blue,  
Recall the days of springtime,  
And the old sweet dreams of you.  
And though the leaves are falling on  
The wind swept lonely hills,  
My thoughts are with the springtime  
And the golden daffodils.

## HOUSEHOLD DUTIES NOW PLEASURE TO WELL-KNOWN LADY

Was once weak, run-down, with no energy, small appetite, nervous and suffering from constipation.

Feels big improvement since she took the great root and herb remedy, Dreco.

Constipation, many times, is at the bottom of human suffering. In some cases a sluggish liver is the cause, and many times it starts in the stomach which is the most neglected organ we have. We abuse it more, yet it is one of the most important organs in the human machine. When you have a little gastritis, that heavy feeling, or choking up in the throat, it is a sure sign that things are going wrong down there. Better get a good, reliable stomach remedy at once. There is none so good as Dreco, which is a liquid extract of many different roots, herbs, barks and berries blended together to produce best results.

"My wife has been in a terrible rundown, weakened condition for more than a year," states that well known citizen residing on rural route No. 15, Dayton, O., Mr. S. A. Burkett. "She was weak as water, had no appetite or energy to do a thing. Her nerves were all to pieces, seldom got a good night's rest; to climb a few steps would make her heart beat very fast and she almost lost her breath. One day, while lying in her bed, she happened to read about what good Dreco had done a Dayton lady, who suffered exactly like herself, so I got her a bottle of that medicine at once. She has now taken three bottles and every one notices the big change in her. She feels strong and well, does her household duties and sings all the time; constipation is relieved; has a good appetite and sleeps sound every night. Dreco is good medicine."

All good druggists now sell Dreco, and it is highly recommended in Washington, C. H. by Frank Christopher.—Adv.

## What Happens when the Oil Freezes in Your Motor?

YOU KNOW WHAT WOULD HAPPEN IF  
YOUR MOTOR WAS NOT LUBRICATED

The oil might freeze in your motor and still you would be able to start and get along your way, but sooner or later it would make itself known.

That means simply this: It being possible for the oil to be frozen in your motor without you knowing it, it is far better to use oil that does not freeze at low temperature.

## Jesco Automobile Oil

is THE oil for cold weather, because it does not freeze under ordinary conditions and flows readily at extremely cold temperatures.

### REMEMBERING HERALD BOYS CHRISTMAS EVE

On Wednesday evening next—  
Christmas Eve—The Herald is  
going to remember the carrier  
boys—eleven of the little men  
who in a few years now—before  
we realize the fact, so swiftly  
times flies—they will be among  
America's young business men.

These little chaps are a very  
essential arm of the newspaper  
service because without their  
faithful service the last necessary  
link in the chain of the day's  
work would not be forged. The  
work of the telegraph wires, the  
editors, the reporters, the typewriters,  
the pressman the stereotypemen  
and all would be a waste of  
energy.

No one would see the paper if  
the carrier boys didn't deliver it  
every evening, rain or shine, hot  
or cold at the front door.

Yes the boys are important and  
they are just as faithful as the  
men in the plant too. Once in a  
while they "slip up" and miss a  
subscriber but very seldom, con-  
sidering the exacting work they  
must do. A record is kept of each  
boy's work and it shows very  
few omissions. They are a lively  
noisy, restless bunch when they  
all get together especially if  
the paper is a little late going to  
press. They are like a bunch of  
wild colts, but they mean well and  
they are only restless to be out  
and at work.

So again this Christmas eve  
The Herald is going to give each  
boy a full week's wages extra.  
Any subscribers who wish may  
add to that little testimonial, on  
their own account.

There is nothing obligatory  
about it, but the boy who brings  
your Herald each evening will ap-  
preciate any little token given  
him not alone for the value of the  
gift, but because it will encourage  
him in his efforts to give good  
services and show him that his efforts  
are appreciated.

Christmas Eve for The Herald  
Carriers.

And yet health and attractiveness  
are much a matter of good, red blood  
and unless a man or woman is afflicted  
with some deep-seated or serious  
ailment vigorous health, and person-  
al charm are within easy reach.

Pepto-Mangan is responsible for the  
present health and happiness of thou-

languid and easily exhausted. Pepto-  
Mangan helped place these folks in  
the full-blooded, energetic, vigorous  
class—and it probably can do the  
same for you.

Pepto-Mangan contains the ele-

for which we are agents in this territory, and which we take a  
just pride in demonstrating.

We might suggest, by way of opening the investigation, that  
a Nash will positively do the work of three or four teams,  
with the advantage of never getting tired, and it doesn't cost  
much, either. Think it over.

**Farmers, Attention!****Buy Springers**

Now is the time to feed your soft corn and rough feed to springers and have your hogs follow them. Buy the right kind with quality and breed that will freshen in the next six to eight weeks. You can either sell them for good prices after their calves are several weeks old or veal the calves and milk and fatten the cows. Butter fat today is commanding the highest prices ever known and the skim milk will help the pigs mature. We specialize in high grade tuberculin tested springers and milkers and can fill your wants on short notice. Prices quoted on request. Reference any live stock man at Cincinnati Ohio or Frank Hutson, Washington Court House, Ohio.

**WESLEY COOK GETS MERITED PROMOTION**

Wesley Cook, for three years associated with the Sears & Nichols Canning Company, of this city, has been given the position of superintendent of the Sears & Nichols plant at Ashville, Pickaway county, and will begin his duties as superintendent of that plant about January 1st.

Mr. Cook, because of years of experience in the canning business and his ability to cope with the numerous phases of the business, is well qualified for the superintendency of a plant.

**BOY BURGLARS UNDER ARREST**

Within a short time after receiving word that the farm home of Lynn Hoppes, on the Jamestown Pike had been burglarized Sheriff Hall had caused the apprehension of Robert Wiles and Jesse Lindsey, boys about 13 years of age, at Greenfield.

The larger part of the stolen rings, watches, old coins and other articles held here. Some silverware is still recovered. The boys are being missing.

**CHRISTMAS CAROLS SANG BY SCHOOLS**

The singing of Christmas Carols by the grades of the city schools has become an established local custom, appreciated by the public. Friday afternoon, Grace Church was filled with parents and friends of the pupils, who presented a very attractive program of favorite carols and anthems under the direction of Miss Louise Habegger, musical director, assisted by the teachers.

The children sang with splendid expression, and volume, their chorus work especially effective.

**MINISTER WANTS TO HELP**

It is only natural that one who has been relieved from suffering should feel grateful and want to help others. Rev. W. F. M.
